RE: Te Parawhau Hapū Cultural Impact Assessment

This letter is issued on behalf of Te Parawhau Hapū to the Whangārei District Council (WDC) in relation to the renewal of resource consents for the Whangārei Wastewater Treatment Plant on Kioreroa Road, Whangārei.

Te Parawhau Hapū retain mana i te whenua of the project site, surrounding whenua and awa and as such are tāngata whenua and kaitiaki of the whenua, awa, moana and surrounding areas.

WDC plan to lodge an application for resource consent to the Northland Regional Council (NRC) before Christmas. This letter confirms that WDC has engaged with tāngata whenua in relation to this application and a Cultural Impact Assessment (CIA) will be forthcoming. It is however requested that the application when received by NRC is put on hold until such time that the CIA is received.
